

HOW TO UNSUBSCRIBE TO WEB ALERTS

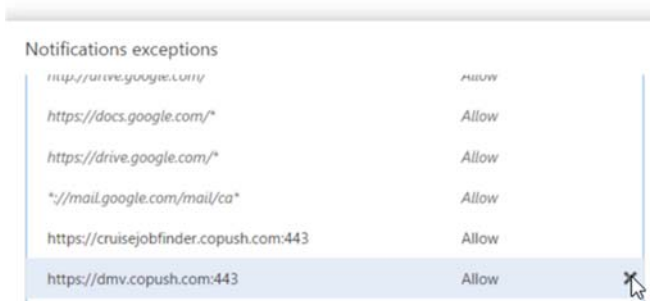

Computer/Desktop Unsubscribe Instructions

Next time you receive a notification, don't click it right away!

Find the cog symbol in the bottom right and click it

You will be taken to a list of websites that can send you notifications. Scroll until you find the website you want to stop receiving notifications from and click the "x"

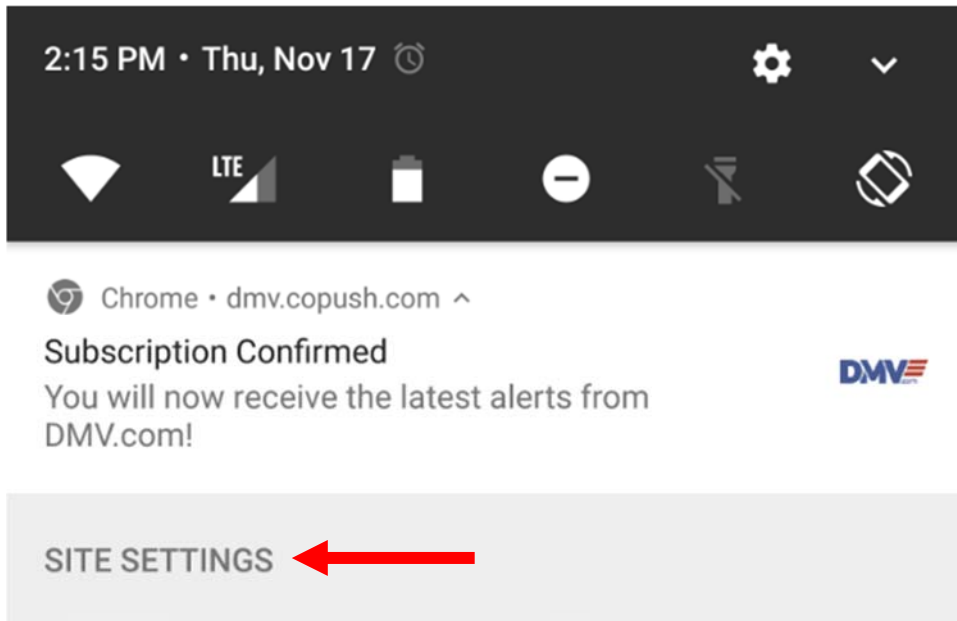

After you remove the website click the "Done" button. That's it!

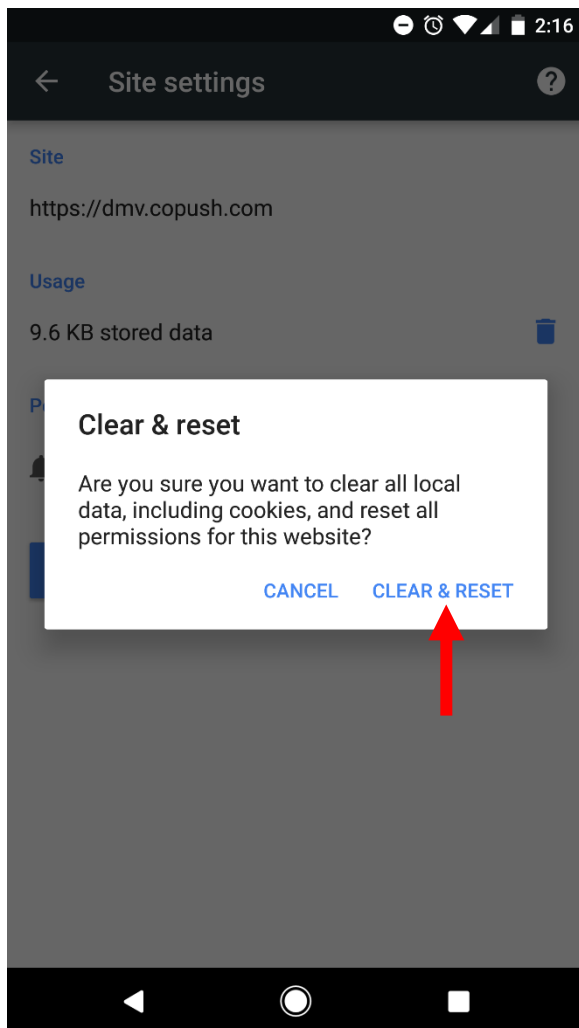

Mobile Phone Unsubscribe Instructions

Next time you get a notification on your phone, press "site settings"

You will be taken to this screen.

Here, press "Clear & Reset". That's it!
